

# FROM BORING TO YAY

OUR BEAUTIFUL NEW KITCHEN IS WHITE ALL OVER AND UNFORTUNATELY THE TRASH BINS WEREN'T DELIVERED YET.

NOW I CAN'T STAND AROUND IN THIS NEW KITCHEN WITHOUT COOKING AND SINCE I CHOP A LOT OF VEGGIES I NEEDED SOMETHING TO PUT THE WASTE INTO WHILE WE DON'T HAVE FIXED TRASH BINS.

SO I QUICKLY GOT ME A CERAMIC POT AND DECIDED TO PAINT IT WITH A BUNCH OF PASTEL SPRAY PAINTS THAT I RECEIVED FROM EDDING.

IT WASN'T DIFFICULT AT ALL. I PRIMED THE POT AND SPRAYED 3 DIFFERENT COLORS ONTO THE UNTAPED AREA.

I CHOSE WONKY GEOMETRIC LINES.

AND THAT'S HOW IT TURNED OUT.  
OUR HAPPY COLORFUL LITTLE  
KITCHEN HELPER.

THANKS TO EDDING FOR SENDING  
ME THIS BEAUTIFUL TEST  
PACKAGE.
